*Capitol Baptist Bible Institute does not hold, and does not seek to hold, state accreditation. Capitol Baptist Bible Institute does not confer degrees. The Institute is a ministry of Capitol Baptist Church in response to the biblical directive to "...teach others also." II Timothy 2:2. The Institute does not seek state approval or any other secular recognition for our courses of instruction. No student should consider his education from this institute as qualifying him to hold a secular position of employment. Any graduating certificate signifies the completion of a course of study that will equip God's servant for ministry in a like-faith local Baptist Church. Capitol Baptist Bible Institute models our format and instruction to be similar to a college atmosphere, but this is no guarantee that our "credits" will be accepted by other post-secondary institutions.*
