

YOUTH CAMP CODE OF CONDUCT

GENERAL INFORMATION

The standards we have are Biblically based and will be upheld by all campers and visitors. Knowing these policies before you come to our camp will help you decide whether this is the place for you to attend or send your young people. Following these rules while at the campground will help you to have a more enjoyable visit. Please read them carefully.

ALL CAMPERS CODE OF CONDUCT

Campers are not to bring alcoholic beverages, tobacco in any form, radios, multimedia devices, computers, cell phones, books or magazines, knives, guns, or weapons of any kind. No video games, fireworks, or pets. Shirts with questionable pictures or emblems are also not allowed. Mixed swimming is not permitted. No medication is to be kept by the campers. All medication will be turned in to the camp director upon arrival. No physical contact allowed between male and female campers. All visitors must be pre-approved by the camp director. All campers must participate in all camp activities unless the camper has a valid excuse. This determination will be made by the camp director. Any camper failing to comply with the camp rules may be sent home. In the event that a camper is sent home it will be at the individual or their church's expense. In the event that a camper must drive a personal vehicle to camp the keys must be turned into the camp director upon the camper's arrival.
